HEPA OPTION

Disassembles
easily

How do other systems compare?

Ask if other systems:

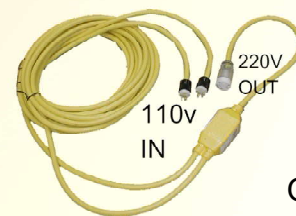

- Outdraw all sanders manufactured
- Increase dust pickup
- Contain dust from 16 and 24 grit sanding
- Have filters that do not clog

Outdraw any
sander even
coarse grits

Use with or
without plastic
collection bag

Standard
adapter for 2
sanders

Efficient
Cyclone
Action

Optional
110v Adapter
