Ultra Fine
Filter
3 Micron HEPA
H14 PTFE Filter
VP434

Optional
"Eco-Micro"
Lined 3 Ply
Ultra Fine
Filter Bag
24x32
For an extra
layer of
filtration
VP950 5 pk.

NEW FEATURES FOR 2025!

Dual Stage
Ametek
Motors
7HP

Ball Bearing By-pass Motors

Cyclonic Particle Separator

Deflects contaminants to allow greater filtration efficiency.

UFF Dual Filtration

UFF Ultra Fine Filtration Cartridge
To ensure zero emissions to 3 microns.

Synfax Electrostatic Filter

Primary Filter designed especially for wood. Electrostatic technology captures wood & fine dust.

Pro Tool Kit w/25 ft. of hose
